## Reflections of a Bachelor.

There is a lot of excitement when you hear somebody coming down stairs to be able to kiss a girl and have her begin singing at the plano before they come in the room.

Running an automobile is a little cheaper than a family.

Scandal is about other people when it is about you it is ! slander.

Fashionable society wears its stories cut as low in the neck dilapidated walks. as its gowns.

You've got to have very little human nature in you to be able to love a girl that is sea sick .-New York Press.

## In Stanton's Style.

A SPRING SONG.

(After Frank Stanton.) Jes' to love you-that senough

Sort o' lazy-like an' dream. Wonderin' if ways is rough For you-or if happy seem!

Wishin' I could plant a rose Bloomin' pretty in your way, Softenin' the breeze that blows Where your wanderin' 1001steps stray!

'Jes' to kneel at night alone, Lookin' up there at the stars, Like a captive wated in stone Peekin, through the prison

Do the angels listen now When you don't know what

And the thought of you-some

Blurs up heaven-anyway!

Jes' to hear a little song Softly hummin' in the air, Laughin', lovin', all day long. Music goin' everywhere

Life is like a dream come true Good enough to be alive

Livin' in the world with you!" -Kate Mas erson, in Life

Savannab, Mo., May 29 .- The jury in the case of little Joy Neff of Cameron against the city of Cameron returned a verdict for \$10,000. Joy Neff is a 4-year-old girl who was injured on a defective sidewalk. This is the third suit decided against the circ bar i jories received through detective walks.

And unless some of the sidewalks on South Main Street are re-laid something will happen to the packet book of this blooming burg and when it does the citizens at large will not hold the adividual property holder responsible, but will hold city officials to account for the condition of things.
